

Riding Equipment Checklist

RIDING ACADEMY ATTIRE

You don't need to purchase these things all at once! We recommend that you start with a helmet and work your way down the list.

- HELMET - Properly fitted ASTM/SEI Certified Riding Helmet. Any color is ok but if you're going to show at any point you will want need a black one.
- BOOTS/HALF CHAPS - Paddock boots or field boots. Most riders find paddock boots with half chaps most comfortable. Black preferred. No rubber or PVC riding boots, please.
- BREECHES/JODHPURS - Riding pants. Any color is ok but will need to be tan or khaki if you're planning to show (and don't want to buy two pairs).
- CROP - Any color is ok. You'll want a black one if you show but make sure you put your name on it!
