

Charter School Students!

Here's what to expect:

In the beginning, students will be in private lessons. There they will experience 30 minutes of horse management (grooming & tacking) instruction, and 30 minutes of riding instruction. Once the student is capable of safely managing the horse, they go to a semi private lesson. There they will ride for 45 minutes, and do horse management for 15-30 minutes.

We provide boots & helmets, but this process can take a bit of your lesson time, so please either come early and be available to assist your child, or you can purchase your own equipment at American Horse Products in San Juan Capistrano and come ready to go!

Students need to wear comfortable long pants, socks, and a shirt that covers their shoulders. Long hair should be worn in a low pony-tail to avoid being caught up in the helmet straps (ouch!).

**PLEASE! We need to know about any special circumstances, either health or development, in advance. We are located in a very busy commercial boarding facility which is not conducive to some personalities, and our staff (2 or 4 footed) are not equipped for some atypical riders. We do not wish to put anyone put into an unsafe situation, or disappointed.**

**Cancellation & Late Arrivals:**

- Please arrive 10 minutes prior to your lesson.
- If you are running late, give us a call and we will hold your horse in the cross ties. Your riding time will possibly be shortened. We cannot accommodate any rider more than 10 minutes late.
- If we do not hear from you by the start of your lesson, we will assume you are not coming and you will not be able to reschedule your lesson.
- If you cancel by 5:00 the night before, you can make the lesson up (reschedule). Cancellations made after that time cannot be rescheduled. Do call the office if you need to cancel after the cancellation period. Often we are able to re-assign the instructor so we don't need to charge you! We will try.
- Cancellations must be made in writing, via email to [info@bridgesequestrian.com](mailto:info@bridgesequestrian.com).
- If you cancel a lesson (within the cancellation period), you will need to reschedule it. We do not automatically "extend" your regular lesson appointment beyond that of your original Purchase Order from the school.
