Pony Club Big Bear Trip

Learn about how a horse's leg really works! Pony Club has been invited to take part in an actual leg dissection with our friends at Sonny's Stable Pony Club Riding Center! I know, ewwwwww, but it is SO COOL to see how the tendons and stuff really works! This is an amazing learning opportunity! We'll be careful, honest. THEN, we're going to trail ride in Big Bear and camp on the Sonny's Stables Ranch! Ruthanna will accompany with the "Bridges Equestrian Mother Ship," with maybe a few of the "old stories" around the camp fire. Any other story tellers out there?

DATES: June 23-24

COST: \$50/person
