Notes From Ruthanna

As founder and President of Bridges Equestrian, I couldn't be more proud of what is going on with our team of staff and students! From our horses, to our new staff of incredible talented instructors, to our new certifications with Pony Club; from walk trot to jumpers and dressage; from scout badges to charity marathons... what you all are accomplishing inspires me and fills my days!

You may not see me too often at the barn, but I am in touch all day, every day. I'm out here pulling the strings and just as involved as ever. Don't think for a moment I don't see what you're doing! All those ribbon strands! All those certifications! All those smiling photos... I get emails every single day saying want a WONDERFUL bunch of kids, instructors, parents, horses... It is all I dreamed of and more. THANK YOU!

You have taken what started as the life's dream of a horse crazy little girl and turned it into a dynamic entity of epic proportion in the horse industry! I am honored to be part of such a magical herd! GO TEAM BRIDGES!
