Bridges Holiday Fundraiser!

This year the Bridges Equestrian Family will be partnering with Together We Rise - a nonprofit group that provides children in the foster system with an abundance of resources. We will be participating in their Sweet Cases Program.

Many children in the foster care system only have trash bags to move their items from place to place. Sweet Cases provides foster children with duffel bags packed with comfort items. Throughout NOVEMBER we will be fundraising for the kits. They will then be mailed to us and we will assemble and decorate the bags on December 5th. They will then be delivered to local social workers and foster care networks to be given to foster children.
