New Scheduling Site

Our new Wellness Living schedule site is up!

Please stand by for an email inviting you to create an account! In the meantime, we ask your patience as we work the copious bugs out of the system.

The migration of the old system did not go as smoothly as we had hoped, so we are working non stop along with the software company to get it sorted out. We hope to send the invitations to open accounts in the next week, and apologize for the inconvenience.

IEA Kickoff Meeting! COMPETITION FOR ALL LEVELS!

Bridges Equestrian is forming teams for the upcoming competition season starting this September!

IEA is open to all riders, grades 6-12, and you do not need to own a horse, as horses & equipment is provided! The cost is approximately \$200 per year, plus shows (approximately \$100 per show). Riders are required to show a minimum of 2 shows per show season. Riders will need to supply their own show clothes. Stand by for a date for our IEA Competition Team Kick off meeting!

Goodbye To Lu <CRY>

Our dear Lu will be moving back to the East Coast at the end of May! While we are heartbroken, we understand, there is truly no place like home. We wish her and Chris the very best, and she will always have a place in Bridges Equestrian history.

We are currently interviewing replacement instructors. Meanwhile, Nicole will assume some of the Lead Instructor duties. Ruthanna and Allie fill in where necessary, and Allie will resume the position Pony Club Instructor.

EHV-1 and Quarantine Situation at Sycamore Trails Stables

As you have probably seen by now, there are areas quarantined at the stable due to an outbreak of the EHV-1 Virus. We ask that you do not walk around the stable until we're through this sensitive time. Please limit your contact to just the Bridges horses, and then as few as possible. We ask that you not feed or pet any of the horses until the danger of passing the virus is past.

Due to the quarantine areas, our riding areas have been severely limited, causing some cancellation of lessons. We are striving to limit the impact on our students, and apologize in advance for any inconvenience or disappointment.
