Reopening the Schedule Site!

WHAT A WILD RIDE!

As you know, we tried to go to a more user-friendly scheduling site and it was a bit of a disaster. After working with the site for a week, and putting all the new changes onto that platform, it became obvious that it was not working. We had to back up and cross check the entire program back into MindBody, and start over.

THEN we were hit with accommodating Lu's move (and the summer schedule), and had to reorganize the lessons. THEN we were informed that Olivia would be taking a 10 week break to take an EMT class. Oh DEAR! It has been a real challenge, and we truly appreciate your patience.

Instructor Additions!

Bridges Equestrian Riding Academy is excited to welcome two amazing additions to our instructional team!

Aleena Karamally, Bridges Training Stable's Assistant Trainer (and Bridges Equestrian Alumni) will be teaching our more advanced classes in Hunter/Jumpers. Aleena brings with her an extensive equestrian background including national level collegiate competition, as well as being a C2 Pony Club graduate! Aleena's specialty is equitation and balance

Linda Trimm FEI level Dressage Trainer/Instructor will be helping us concentrate on rhythm, use of natural aids and connection!
