**Special Congratulations to Lilly Muzzy for qualifying for NATIONALS!!!
Go Lilly! Go Team Bridges!**

INTERSCHOLASTIC EQUESTRIAN ASSOCIATION

Do you want to be part of the Bridges IEA team next year? IEA provides an opportunity for riders grades 4-12 to compete both individually and on their barn team. IEA uses the same platform as the college equestrian teams, so is a great resume builder for riders looking to compete in college. You don't need to own your own horse, as IEA also "levels the playing field" by host barns supplying the horses, which are then randomly drawn by the riders. All members must be in training or take weekly lessons at Bridges.

Check out the details on our Website at www.bridgesequestrian.com/IEA/

Email Ruthanna for more information and to be included on our "Kick Off" list for May, 2019.
